

### Field Trips

Field trips will be planned to correspond with children's interests and ages. Local field trips use the YWCA vans driven by licensed staff. The programs walking field trips are around the YWCA area.

### Out-of-Town Trips

An all-day, out-of-town trip may be planned. The out of town field trips use a bus from Van Galder.

If you choose not to have your child go on the field trip no alternate care will be provided.

### Transportation

Seat belts and booster seats are required for safety. A signed transportation form is required for each child.

### Summer School

The YWCA will only pick up children from Summer School at Lincoln and Van Buren schools. (Limited to 8 children)

### Supplies

We ask campers to bring a backpack each day to keep their lunch, supplies, artwork and projects in. On swim days, we ask campers to bring a bag with their swimsuit and towel (labeled). Campers will need to bring a water bottle each day. The YWCA provides sunscreen and parents will need to complete an Authorization Form for the YWCA to apply it.

The YWCA Summer Discovery Day Camp Program is a state licensed program for children who have completed kindergarten through 12 years of age. The children are supervised by state-qualified, state-licensed, trained, competent, and caring staff. Our program is open to all children regardless of race, color, national origin, religion, sex or ability.

Summer Discovery Day Camp runs weekly, Monday through Friday 6:30am to 6pm beginning June 10th - August 23rd. Children will enjoy a wide variety of experiences including:

- Swimming
- Arts 'n Crafts
- Environmental Projects
- Field Trips
- Music, Songs and Drama
- Self-Growth Activities
- Physical Fitness
- Sports and Games
- Educational Programs (Library Summer Reading Program)
- Special Interests

## Programming

A new theme is planned each week throughout the summer to offer interesting and exciting activities and events for campers. The themes provide the base structure around which arts & crafts, projects, games, field trips, etc. are incorporated into the weekly lesson plans. Parents will receive a monthly calendar outlining our events as well as a weekly newsletter to keep you informed and up-to-date.

## Lunch/Snacks

The Janesville School District provides lunch each day; however, parents can choose to bring their child's lunch. If you choose to do so, the lunch must contain a grain, protein and a fruit or vegetable. If the lunch does not meet these requirements (given by CACFP), we will supplement; and your account will be charged \$10/day.

## Extra Fun Days

Look for extra special days on the calendar. Also check out our monthly calendar for special visitors, demonstrations and field trips.
