## Cookie Dough Sales!

The YWCA Child Care program is having a cookie dough sale again this month! The school site with the most sales will get their choice of a ice cream or pizza party. Your site staff has the order forms ready for you this week so make sure to pick one up and start selling right away. This fundraiser helps to support our programs at all 13 of our sites! Orders are due September 16<sup>th</sup> and we will be unable to take any late orders.

## Schedules are due on Thursdays

Don't forget that schedules are due every Thursday to your site staff with payment for the following week. It is very important that all families turn in their schedules on time and every week. It is a licensing requirement to have schedules for all children on file at the site. If you don't turn it in on time, there are late fees that you will incur. Also, please note that if you do not have your schedule turned in before Monday morning, your child will be unable to attend before and after care until a schedule is turned in.

## Non-School Day Details

Cost: \$35 per child, per day  
Hours: 7:15am-5pm
